

At Great Harvest, we love getting together and sharing our bread with friends, and with people who will become friends! We search out opportunities to be involved with the community (after all...it's our community, too!)

PARTIES

Everybody loves a party, and we're no different! We enjoy having celebrations in the bakery. Parties usually include making a personal pizza, enjoying Brownie cake and Kool-aid, party accessories and a tour. Pricing begins at \$14.00 a child.

TOURS

We enjoy giving tours of the bakery, and sharing our excitement and knowledge about whole grain breads. Tours are happily provided at no cost to Scouts and school groups. Should you decide to include a baking experience, there is a nominal fee. Give us a call and we will work hard to accommodate your group.

COMMUNITY EVENTS

We love our bakery, but we like to "get out" sometimes, too! Look for us at a variety of events and farmer's markets throughout the year. If you are involved in, or know of, an event where Great Harvest might be welcome, give us a call! Sometimes we can provide product; other times we just bring our whole staff along and hand out great big slices of fresh bread!!
